

# E&I AND IPHEC

*Collaborating Together*

serving all your procurement needs

## SPIRIT OF COLLABORATION

Visit our website at [www.eandi.org](http://www.eandi.org) for complete overviews on the contracts listed in this brochure, or contact Joe Castelluccio, your local E&I Member Relations Representative, at [jcastelluccio@eandi.org](mailto:jcastelluccio@eandi.org) for more details.

### WHEN COOPERATIVES COLLABORATE

E&I Cooperative Services is the only member-owned, not-for-profit purchasing cooperative serving the needs of higher education. Backed by the purchasing power of more than 4,000 institutions, E&I provides members with competitively awarded contracts and value-added services designed to streamline and improve the procurement process. The Illinois Public Higher Education Cooperative (IPHEC) and E&I have teamed up to help IPHEC institutions realize increased cost savings, time efficiencies and process improvements.

As part of this partnership, IPHEC members have access to a selection of competitively awarded E&I contracts. You'll save a considerable amount of time using these contracts, since E&I handles all aspects of the RFP process – including research, RFP development, and contract management. Our process has been [validated](#) by the National Institute of Governmental Purchasing (NIGP) as being in compliance with generally accepted procurement standards, so you've got nothing to worry about.

We are excited about this partnership and we are looking forward to adding more contracts available for IPHEC members in the future.
